

University of California,
San Diego

SUMMER SESSION

Mission Statement

- * The mission of Summer Session is to provide core courses needed by students for graduation from the University of California; to provide intensive and innovative academic programs not easily offered during the academic year and; to provide opportunities for ladder-rank faculty to teach in areas of student need, as well as provide opportunities for lecturers, visitors and graduate students to teach, when appropriate.

WHY SUMMER SESSION?

VALUE ADDED TO CAMPUS:

- ❖ Gives current students an additional chance to take impacted courses and flexibility for part-time enrollment
- ❖ Current students report Summer Session gives them a means to graduate on-time, which frees up space for new enrollments
- ❖ Introduces visiting, new, and potential future students to UCSD
- ❖ Provides an opportunity for students to learn in smaller class sizes and have more faculty contact
- ❖ Allows visiting faculty to collaborate with colleagues
